

AAU/Team Tennessee Handbook 2011-2012 Changes

IV. Tournament Committee

A tournament committee will be established prior to the beginning of a tournament. The minimum membership of the committee will consist of the Lead Host, Tournament Director, Lead Pairer and Head Official. Additional members may be designated to be part of this committee. The committee will help control the event and make formal decisions in the case of any error (e.g., bracketing, improper advancement), disagreement regarding the conduct of the tournament, or formal protest. A formal protest must be in writing, signed, and dated. This committee will not be convened to overrule decisions made by the official(s) overseeing any match wrestled.

VI. Medical Polices During Events

C. Skin Checks will follow NFHS rules. During weigh-ins, officials, or designated health care professional will complete a full skin evaluations process on each athlete. If a participant is suspected of having a communicable skin disease or any other condition that makes participation appear inadvisable the athlete must provide current (14 days) written documentation from appropriate health care professional stating that the suspected disease or condition is not communicable and that the athlete's participation would not be harmful to an opponent. This must be provides at weigh-ins. The only exception would be if a pre designated on-site meet appropriate health-care professional is present and is able to examine the wrestlers either immediately prior to or immediately after weigh-ins. Covering a communicable conditions shall not be consider acceptable and does not make a wrestler eligible to participate.

* Written documentation has to describe location of lesion.

* Written documentation signed only by Doctor of Medicine (MD) or Osteopathic Physician.
